Dear Resident,

I am pleased to announce that I am **standing in the Cotswold District Council (CDC) elections on Thursday May 2nd**. So many residents in The Rissingtons are crying out for a **councillor that puts their community, not their party, first**. This year, with only 2 candidates for you to choose from, **every single vote for me counts** towards you finally receiving this.

I live in Upper Rissington and am actively involved in the village, such as **leading the Neighbourhood Plan group**. I worked for the civil service for over 15 years, so I know how to work effectively with government and officials to obtain the maximum benefits for you. For the past 3 years I have been working part-time, building affordable houses in cities worldwide to help low-income people gain access to decent homes.

My priorities for The Rissingtons Ward include:

- Ensuring CDC staff make Bovis/Linden deliver **ALL the agreed community facilities for Upper Rissington**.
- Ensuring that CDC prioritises **business units** at Upper Rissington, creating high-quality local employment opportunities, a more sustainable community and a reduction in traffic.
- **No more large-scale housing developments**, prioritising smaller developments of affordable and social housing.
- **Maximising recycling rates** by scrutinising the wider diversity of materials to be collected from Autumn 2019.
- **Support for public transport initiatives**, for both environmental and social reasons.
- Encouraging and funding more **community youth activities** in The Rissingtons area.

If you have other ideas, I would love to know what you think. Drop me an email, pick up the phone or drop round, as I am very happy to discuss what you would like for our community.

It's time we demand better!

Kind Regards,

Andrew Maclean
